SPECIALTY TECHNIQUES

HEIRLOOMING

Add character and depth to select finishes with over-sanding on edges and profiles for a naturally worn-to-the-wood appearance that says old world charm. Available in the following finishes: Black, Forest Floor, Juniper Berry, Maritime, Moonstone, Oasis, Seaside, Storm and Tidal Mist. Not available on Carmin, Prestley, Princeton and Stratford. See your designer for availability on trim pieces.

DISTRESSING

Our distressing technique creates a finish with unique and appealing imperfections, such as dents, wormholes, chisel marks and other natural wear signs. Available on solid raised panel doors: Ainsley, Asbury, Brinkman, Campbell, Chanley, Galena, Harper, and Parker. Not available on Coconut, Dover, Pearl and White.
