#### entra series

Create the clean, fresh, current space you envision with style essentials from the Schrock Entra" Series.

## Schrock uniquely yours.

Styles, product availability and construction may vary slightly from those shown in this book due to material availability and/or design evolution. Specifications are subject to change without notice. Customer service is available if your design requires verification of product availability and specifications.

When paints are specified, the door and/or drawer front center panel may be constructed of Medium Density Fiberboard (MDF). MDF provides a smoother finish when painted, and is more resistant to warping, expansion, and contraction. Doors, drawer fronts, and additional facings may consist of other hardwood components.

Product photography and illustrations have been reproduced as accurately as printing technologies permit. To ensure highest satisfaction, we strongly recommend you view an actual sample for best color, wood grain and finish representation.

#### Schrock" has a Limited Lifetime Warranty.
